Note:

For BAPTISMS (1853-1873) there are no entries from July through December 1854. Entry number 22-7 is a misplaced marriage.

For MARRIAGES (1854-1873) there are no entries for the years 1855, 1860, 1861, 1863, 1871, and 1872. Entries number 41-3 and 44-2 are misplaced baptisms.

For DEATHS (1845-1873) there are no entries for the years 1846-1849, 1851, 1853, 1860, 1866-1868, 1870, 1871. These records also contain a few misplaced baptisms, specifically entries number 77-7, 77-9, 77-10, and 91-6.

Since the first resident priest was Rev. Jacob Mayer (1858-1863), earlier or missing records may possibly be located in the home parish church books of the various missionary priests serving St. Joseph Hessen Cassel over the years. For example, the pre-1841 records of the Catholics living in the Hessen Cassel parish are located in the church books of the Fort Wayne Cathedral of the Immaculate Conception, which are available on microfilm in the Genealogy Department of the Allen County Public Library. See specifically microfilm Roll No. 10, Item 4 - Baptism, Marriage, Death 1831-1857 and Roll No. 11, Item 4 - Burial, Marriage 1840-1860. The records for Roll No. 10, Item 4, are also compiled in the summary book Catholic Cathedral Records 1831-1857; library call number GC 977.202 F77ca. The Cathedral church books often contain duplicates of the parish records entered in the St. Joseph Hessen Cassel church book. In many cases, post-1841 records missing from the St. Joseph Hessen Cassel church book are also found in the Cathedral church books as well as in the parish books for St. Mary's Catholic Church (Fort Wayne).

INTRODUCTION

The church books of St. Joseph Catholic Church at Hessen Cassel, Indiana, have been microfilmed and are available at the Allen County Public Library on microfilm Roll No. 14 of the Diocese of Fort Wayne/South Bend Church Records. The five microfilmed church books from this parish are:

- | | |
|---|---------------------------|
| (1) Baptisms, Marriages, Deaths 1841-1873 | [Item 5 of the Microfilm] |
| (2) Interments 1873-1947 | [Item 7] |
| (3) Baptisms 1873-1947 | [Item 8] |
| (4) Marriages 1873-1947 | [Item 9] |
| (5) Confirmations, First Communions 1899-1947 | [Item 6] |

With regard to the above first St. Joseph Hessen Cassel church book, which contains baptisms, marriages, and deaths from 1841 to 1873, it is very difficult to find specific records. The book has no index, the pages are not numbered, the entries are often out of order, and the handwriting is difficult to read. Thus, the following compilation was made in order to summarize and index the various records contained in this church book. The information was extracted from the microfilmed copy [Item 5] and not the original book, which is very fragile.

As previously mentioned, the pages of this first church book were not numbered and the records were not always entered in chronological order. Therefore, in order to provide a reference for each entry, a page number was assigned to each consecutive page, including blank pages, from the beginning to the end. Then a consecutive number was given to each particular record entered on a specific page. For example, page 2 contained 7 baptismal records. The first baptismal entry was numbered 2-1, the second as 2-2, etc. The types of records contained in this church book arranged in order from its first to last page are as follows:

CHURCH RECORD	DATE	ASSIGNED PAGE NO.
BAPTISMS	June 1853 to December 1873 [No entries were made from July through December 1854. Entry 22-7 is a marriage.]	1 to 38
MARRIAGES	January 1854 to November 1873 [No entries were made for 1855, 1860, 1861, 1863, 1871, 1872. Entries 41-3 and 44-2 are misplaced baptisms.]	40 to 46
MEMBERSHIP PLEDGES	September 1841 to September 1851	48 to 57
BAPTISMS	December 1852 to July 1853	60
BAPTISMS	November 1841 to October 1852	62 to 76
DEATHS	March 1845 to October 1873 [No entries were made for the years 1846-1849, 1851, 1853, 1860, 1866-1868, 1870, 1871. Entries 77-7, 77-9, 77-10, and 91-6 are baptisms.]	77 to 92

From the previous outline of the records it appears that this church book was originally sectioned into different parts depending upon the type of record to be entered. The earliest entry of September 1841 is the list of the founding members and their yearly monetary pledges in support of the new parish. This entry was apparently begun in the middle of the book on unnumbered page 48, and room was left for future entries. Then on unnumbered page 62, the baptismal entries were begun in November 1841, and on unnumbered page 77, the death records were started in 1845. The section for marriages was begun on unnumbered page 40 in 1854. It appears from the chronological order of entry that the baptisms were continually entered from page 62 until the death records were encountered at page 76 in October 1852. At this point, the priest filled in an empty page (no. 60) between the membership pledges and the beginning of the original baptisms. He then went to the front of the book in June 1853 and the baptisms were entered from that point until the remainder of the book was filled in December 1873.

Of course, another explanation for the scrambled order of entry may be that sections of the book came apart over the years and were not put back in the original order. Indeed, the membership pledges establishing the parish appear to have been the first pages located in the front of the book at one time. These are the pages which contain the oldest entries and are in the poorest condition. Thus, it is possible that this book split in half and the two sections were placed in opposite order to help preserve the older records. This may explain why the oldest section became located in the middle of the book and the later baptisms ended up at the beginning. Of course, there would be no question concerning this matter if the pages had originally been numbered. Furthermore, some of the loose pages may have become lost over time, which could account for the apparently missing records for some years.

The various records in the first St. Joseph Hessen Cassel church book were written in German, Latin, and English. Where appropriate, translations have been made. The names as they were spelled by the priest entering the record were extracted for this book. The spelling of the names varies from priest to priest, who often wrote down the names as they sounded to him. The German priests were better at correctly spelling the German members' names. In some cases, the dates or spellings were difficult to decipher from the handwriting. Thus, possible variations and question marks are provided. The manner in which the baptismal records were extracted and presented in this compilation is shown in the following example:

[No baptism entries were made for 1½ years from 1870 up to April 1871; then entries occur for only the months of March, April, and August in 1872.

No marriages are recorded for the years 1870, 1871, and 1872.

Fr. Nussbaum made entries for him from 26 September to 17 October 1869 and on 23 July 1871]

Joseph Nussbaum

18 October 1872 - 30 December 1873

The first two entries on the first page of the book were on a piece of paper attached to the page. The paper was not dated and the old German script handwriting was difficult to read. A best translation of these two entries (see 1-1 and 1-2 on the next page) is as follows:

1-1

Every [St.] said a [Sein] beforehand
G(?) - included a [Sein]
Monday? a holy mass for the sanctification
of Blessed Mary
[-chlid Verten]
Monday holy mass for the departed
Patrick Hart } Thursday and Friday
Men - and Youth [beizt]

(son of) Sebast. Hoffmn. and Rosina Telene [= Delaney]
(godparents) Nic. Herber and Maria Hoffman
2 o'clock [Vesch.] benediction
Collect-verse Virgen
Society. Sisters to bring the firewood.

Based on the information provided in the attached piece of paper, it was possible to approximate the date of the entries. Patrick Hart died 19 October 1867, and Nicholas William Hoffmann was born on 3 July 1871 (see entry 32-6). Thus, the piece of paper is contemporary with the church book.

Page 47 contains no entries.

Unnumbered page 48 contains the earliest entry in this church book and is torn and soiled (see photocopy). The right edge of the page is missing, while the bottom of the page is dark and faded from mildew and/or age. Compared to all the other pages in the book, it is in very poor condition. Since it is one of the protected inner pages, it is difficult to understand how it became so damaged. Perhaps continual handling and contact with numerous fingers over the years resulted in the severe deterioration. However, another possibility is that it may have originally been the first page of the church book and was later placed in the middle for preservation.

This page contains the record of the founding of St. Joseph Catholic Church at Hessen Cassel on 29 September 1841. According to other historical sources¹, 29 German Catholic families, most of them immigrants from Hessen Cassel, Diocese of Fulda in Germany, organized the church in 1841 and pledged to support Rev. Joseph de Mutzig Hamion. (See the Epilogue for a list of these immigrants and their towns of origin in Germany). At the top of the page written in old German script, apparently in the handwriting of Rev. L. Mueller, is the pledge made by the parishioners forming the new congregation. The entry then contains the actual German signatures of the heads of these 29 charter families and lists the amounts they pledged. However, a few of the signatures at the bottom are no longer readable and some of the pledge amounts were located on the missing section of the page. The transcription of the German writing on page 48 and subsequent English translation are as follows:

1 Helm, T.B. History of Allen County, Indiana (Chicago: Kingman Brothers, 1880) page 159
Alerding, (Bishop) Herman Joseph Diocese of Fort Wayne 1857-1907 (Fort Wayne, IN: Archer Printing, 1907) pages 241-243

Translation of the above German entry is as follows. In brackets are provided assumed words in order to compensate for the missing text and tie the wording together.

"For the support of the Catholic Priest Rev. Hamion
for the year 1842 from Michaelmas(Feast of St. Michael, 29 Sept) 1841 everyone
belonging to our church, with their name [has signed below?]
and during the course of the year the underwritten sum [which?]
is hereby held in reserve should be paid for quarterly by oath [and?]
signature."

Names	Amounts Pledged and Paid[?]
(See above)	(See above)

(Other charter members among the unreadable names are probably Peter Schmidt, Christopher Berg, and Joseph Grün.)

Page 49 (This is the back of page 48 and thus part of the left margin is missing which contained part of the names listed for the 1842 pledges. Since Fr. Hamion died on 7 May 1842 during a missionary visit to Logansport², the pledges were made this year to Fr. Julian Benoit. Apparently Fr. Benoit is also the person who recorded this entry in English. The names were signed in German by the members.)

We the undersigned promise to pay, when required,
to Fr. Julian Benoit the Sums written after our
respective names. This 26th of November 1842.

(Comparing the actual list of names and signatures on the previous page with this page, the above incomplete names are undoubtedly Johannes Herber, Heinrich Sack, Johannes Sorg, Johann Melcher Sorg, Gorg Sorg, Franz Münch, Josepf Auth, Sebastian Klüber, Christoph Berg, Johann Melcher Lauer, and Johannes Schmidt. It was possible even to determine that the missing surname signatures ending in just "ch" and "th" probably belonged to Franz Münch and Joseph Auth, respectively, because the formation of the letters strongly resemble those in the signatures for these two particular men on page 48)

EPILOGUE

Many of the early German families establishing the parish of St. Joseph Catholic Church at Hessen Cassel, Indiana, came to America and Allen County between 1832 - 1840. After numerous years of genealogical research, the author has determined the towns of origin in Germany for many of these families. In conducting family research, this is often a vital and difficult piece of information to obtain. Therefore, the following table presents the names of the early immigrants and allied families at St. Joseph Hessen Cassel parish and their known or suspected towns of origin in Germany.
